# EXPÉRIENCE

Every union, every duo, is unique. It is therefore essential for me to understand who you are to offer you the most suitable experience. What are you hoping for, what are the key moments who are the loved ones in your heart? Your sharing and our dialogue will be essential to shape a service perfectly adapted to your needs.

I stand by your side to guide you in this beautiful adventure that is a wedding.

I therefore offer to make my 7 wedding seasons available to you to support you. I can share this experience with you in various forms: advice on the positioning of your secular ceremony, choice of colors, search for trusted providers, reflection on a plan B in case of rain, etc. My main goal is for you to have peace of mind on D-Day and to enjoy this magical moment.
